

REAL BRAND REVIEW

Welcome to the Real Brand Review tool, designed exclusively for leaders in commercial real estate to assess and analyze gaps in their brand. This comprehensive review is crafted to help you gain deep insights into your brand's current positioning and effectiveness.

Through this review, you'll uncover potential areas for growth, ensure alignment with your market, and pave the way for enhanced brand perception and business success.

Please rank each question on a 1 to 5 scale. Once complete, tally the section totals together to see the standing of your current brand.

SCORE RANGES

93-115 (Highly Effective): Your brand is in excellent shape! However, there's always room for improvement and staying ahead of the competition.

70-92 (Effective): Your brand is doing well. There are areas that could benefit from refining and enhancement.

47-69 (Moderate): Your brand has a good foundation. Several areas need attention to elevate your brand's impact.

24-46 (Needs Improvement): There are significant opportunities for improvement in your brand strategy and execution.

23 (Critical): Your brand requires immediate attention to address fundamental challenges and redefine its direction.

Scored **69 or below**? Your brand may greatly benefit from a strategic reevaluation and enhancement. My expertise in commercial real estate branding and marketing positions me perfectly to assist you in transforming your brand into a dynamic and influential force in the market.

Did you score above **70**? **Congratulations!** This indicates your brand is performing well in the market. In the ever-evolving commercial real estate market, there's always room for growth and staying ahead of the curve. My services can help you capitalize on your strengths, explore new opportunities, and maintain your leading edge. Let's collaborate to ensure your brand continues to excel and sets new benchmarks.
